## Our Lady of Grace Thursday Evening Bible Study

All are invited to read and explore the story of Ruth's journey in a 4- part study layered with unbearable loss, redeeming love, and divine legacy.

In this Old Testament story, we are reminded of God's covenant faithfulness and how he restores those who look to him with hope. This study delves into the virtuous character of Ruth, her unique relationship with her mother-in-law Naomi, and it contributes to the overall covenantal storyline that unifies the entire Bible. We are reminded to trust God in both tragedy and blessings. Come join us as we read about this remarkable woman and her important place in salvation history.

**FEAST OF FAITH:**

Today we celebrate the Most Holy Trinity, the central mystery of our faith. We believe that God is One, yet Three Persons in total unity. We begin all our liturgical celebrations with the Sign of the Cross, a reminder that we are baptized in the name of the Father, the Son, and the Holy Spirit. Throughout the Mass we address our prayers to God the Father, through Christ our Lord, in the Spirit's power. As a community, we are made one by the unity of the Father, the Son, and the Holy Spirit.

**Adult Confirmation Information Sessions**

### THIS IS THE HOLY TRINITY

Today we celebrate the Holy Trinity, one of the most confounding mysteries of our faith. Through this mystery we experience our relationship to God: Creator, Savior, and Holy Spirit. This relationship is not easy to understand or to describe. It does not become clearer through analysis. Its complexity mirrors somewhat the complexity of all our relationships. We understand our relationships with our spouses, our children, our parents, and our friends only through daily give-and-take, annual rituals, and the life-changing moments we share. We understand our relationships only as we live them. The relationships we have with those we love, and who love us, sustain us through an uncertain and difficult life. Such is our relationship to the Holy Trinity.

What is striking about today's readings is that each is incomplete. What they do offer is a description of a moment in our relationship, a memory of a time and an event when our relationship made sense even though that sense may be beyond our ability to describe fully. Often that is all that our faith offers, that is, a memory of what is possible, what is promised, what has been given. A memory of eternity, of love beyond understanding is to be cherished and nurtured even if not fully understood. This is the Holy Trinity.
