Loaves Fish Blessing Satisfy Full

THE HAND OF THE LORD FEEDS US; HE ANSWERS ALL OUR NEEDS.

The miracle of the loaves and fishes is one of the best known in the Gospels. When Jesus performs a miracle, he is not trying to show off his power. His actions always illustrate a lesson. This miracle can teach us many things. Let's look at a few of them.

One is the compassion of Christ. He takes pity on the crowd and first shows his love by curing their sick. Then he sees that they are hungry and he feeds them. This reminds us that Jesus knows what we need and cares about us.

The bread reminds us of Jesus' temptation in the desert, where he told the tempter that "man does not live on bread alone." Just as the miracle satisfied the hunger of five thousand families, so his word will satisfy the spiritual hunger of millions. The miracle also reminds us that Jesus will give us himself, his Body and Blood as bread and wine, to be our food and drink.

So the question is, do we learn from this miracle? Do we trust the Lord to care for all our needs? Do we try to live by God's word? And finally, do we take advantage of the great gift of the Eucharist? The miracle may have happened two thousand years ago, but the lessons are meant for us today.
