Renewing Men and Women

In 2023 the U.S. Surgeon General declared that America was facing an epidemic of loneliness and isolation. Many individuals feel unseen, disconnected and unsure where to turn for support. *That Man is You!* and *She Shall Be Called Woman* provide communities where men and women can connect, grow and heal. Grounded in medical science, Church teaching and the wisdom of the saints, these programs create a space for honest conversations where participants share their hopes, fears and struggles and encounter the transforming grace of God.

Renewing Families

When men and women understand their God-given identity and mission, they are better equipped to build strong, flourishing families. Developed by Paradisus Dei, both TMIY and SHE feature engaging content presented by a diverse team of Catholic speakers including theologians, evangelists, professors, priests, mental health professionals, religious, and everyday men and women. Each session invites participants to grow in their faith and live out their unique calling, whether in family life, service to others, or their daily walk with Christ.

SEASON FIVE

LIFT UP YOUR HEARTS

Worship is one of the most fundamental aspects of what it means to be Christian. All of creation was made to worship, and we, as humans, have an intimate connection to the call to praise, revere, and venerate. It is what we were made for. This season, dive deep into not only the practical aspects of worship, but more importantly, recenter your deep longing to pour out your heart fully to the Lord. Make no mistake: authentic worship is not always easy. However, the fruit it bears is unlike anything we can experience in this world.

"Little Saints, Great Faith:

Lessons in Holiness from
the Children of Fatima"

The Miracle of the Sun at Fatima, Portugal, happened on October 13, 1917, nearly 109 years ago, yet the message of Our Lady of Fatima resounds today. When the three children of Fatima fame are thought of, it is usually only the eldest, Lucia - that is, Lucia de Jesus dos Santos - whose name people remember. However, Lucia's cousins, Francisco and Jacinta Marto, are equally important to the story of Our Lady of Fatima. In fact, they, being the youngest non-martyred persons to be canonized saints by the Catholic Church, and having demonstrated remarkable faith and courage during their very short lives, have much to teach us. Join us to learn about and be inspired by these amazing role models of faith.
